Yes, please. We should also search for "Mile High Bank" as well, since

Jim and Tanya,
The Alan Engels told me you are the SMEs for this FOIA.

I performed searches in our Superfund & Non-Superfund databases, using the provided keywords. I only found 1 result, it is a Non-Superfund 404 Army COE Record (The requester said the Army Corps of Engineers will respond separately with their records). Let me know if you want me to pull this record for your review.
